Submission of B.E. Project Reports and M.E. Dissertation to the LIRC:

For B.E.: Hard copies of all the B.E. Project Reports (Black Book) is to be submitted in the library itself by any one of the students in a group.

The Synopsis copy (White book) would be given to us by your respective departments.

For PG: In the case of M.E. Dissertation and Ph.D. Theses, the individual student is required to submit the hard copy to the library.

Also, note that since CD / DVD for the project report documentation **is ceased**, we would like to have the soft-copy (documentation only) to be uploaded on the Google Drive in the folder named "Project Reports" by one of the students from each group (for B.E.) and by the individual PG student. Link is given below:
