

**LEARNING AND INFORMATION RESOURCE CENTRE**

**Submission of B.E. Project Reports and M.E. Dissertation to the LIRC:**

We would like to collect the hard copies of all the B.E. Project Reports (Black Book) in the library itself by any one of the four students.

In the case of M.E. Dissertation, the individual student is required to submit the hard copy to the library. Also, since we have ceased to collect CD / DVD for the project report documentation, we would like to have the soft-copy (documentation only) to be uploaded on the Google Drive in the folder named "Project Reports" by one of the students from each group (for B.E.). Link is given below:

Please note that the soft-copy for the B.E. and M.E. project report / dissertation, the file should necessarily be:

- 1) In a pdf format
- 2) from the first page (title page) to the last page (bibliography / references) as a single file
- 3) Signed pages should also be a part of the pdf file
- 4) should have St. Francis Institute of Technology as the water-mark (diagonal and light grey colour)

Please note that the pdf file should contain the signed pages. Scan the signed pages from the original hard copy and merge them with the final documentation.

The Synopsis copy (White book) would be given to us by your respective departments.
